The Competent Authorities may, as soon as, after the commencement of these rules create, establish and maintain a repository and database of digitally signed electronic records together with the associated application software and workflow to enable Authorised Service Providers or the authorised agents to access such licences, permits, certificates, sanctions or approvals, as the case may be, and deliver them to the user.

- (2) The relevant security procedures, as specified by the Government, shall be followed by such Competent Authorities, in respect of the electronic data, information, applications, repository of digitally signed electronic records and information technology assets under their respective control.

18. Procedure for making changes in a repository of digitally signed electronic records.- (1) Any Competent Authority or any signing

authority, either *suo motu*, or on an application made by an interested party, may make or order to make an appropriate change in a repository of digitally signed electronic records, after following the procedure prescribed in the said Acts, rules, regulations or orders.

- (2) Any such authority shall have privileges for making or ordering changes only in respect of the electronic records pertaining to its own jurisdiction.
- (3) Any change effected to any record in a repository of digitally signed electronic records, and any addition or deletion of a record from such repository of electronic records shall invariably be digitally signed by the respective authority and an electronic audit trail of all such changes shall be maintained.

- 19. Creation of secure application software for Electronic Service Delivery.-** (1) The Competent Authorities shall get appropriate application software created, using which, the Signing Authorities, shall digitally sign the license, permit certificate, sanction or approvals, and get the same audited by a third party agency, so as to ensure its security, reliability, performance and consistency, before it is deployed.
- (2) Every such application software shall, *inter alia*, possess the capability to assign an unique identification to each license, permit, certificate, sanction or approval.
- (3) Every Authorised Service Provider shall create its own application software in consultation with the respective Competent Authority, which shall enable such Authorised Service Providers to deliver electronic services in accordance with these rules.
- (4) Every such application software created either by the Competent Authority or the Authorised Service Provider shall, *inter alia*, possess the following features and capabilities, namely:-
- (a) secure login of Authorised Agents, as are required to access the application system, through the use of Digital Signature Certificates;
- (b) secure access of Authorised Agents, to the repositories of digitally signed electronic records maintained by the Competent Authorities, for printing and delivery of the digitally signed license, permit, certificate, sanction or approvals; and
- (c) to assign an unique identification to the voucher or receipt issued by any authorised agent while providing electronic services to the citizens.
- (5) The Director of electronic service delivery shall get such application software audited by a third party agency, so as to ensure its security, reliability, performance and consistency, before it is deployed by the Authorised Service Provider and also as and when changes are made in the application software.

20. Delivery of e-Services by the Authorised Service Provider or Authorised Agent.- (1) On a request made by a user for provision of a service, relating to the issue of any license, permit, certificate, sanction or approval and to the receipt or payment of money, the Authorised Service Provider or the authorised agent shall access the respective departmental repository of digitally signed electronic records through their secured application specified in rule 19, in respect of any license, permit, certificate sanction or approval or the database in respect of any payment or receipt

(2) The Authorised Service Provider or the authorised agent shall be permitted to have such access only with the use of its digital signature certificate.

(3) The Authorised Service Provider or the authorised agent shall accept the specified fees, tax, duty or payment along with the service charge, download the related license, permit, certificate, sanction or approval or the database record relating to any payment or receipt, print the license, permit, certificate, sanction or approval from the repository of digitally signed electronic records, or the payment voucher or receipt from the relevant database and print the document using the secure application software and the secure stationery.

21. Verification of digitally signed documents.- (1) The Competent Authorities shall cause to be created a system (portal/website) of online verification of any license, permit, certificate, sanction, approval or receipt delivered by any authorised service provider or the authorised agent or the State Electronic Records Repository.

(2) Any person or authority, desirous of verifying the authenticity of any document or certificate issued under these rules, may access such portal or the website using the unique identification printed on the document sought to be verified.

22. Audit of the Information Systems and Accounts of Authorised Service Provider and authorised agents.- (i) The Director of electronic service delivery shall order an audit to be conducted of the records and accounts of the Authorised Service Providers and their authorised agents in the State at such intervals as it may deem necessary by an agency empanelled as an information security auditing organization.

(2) The audit referred to in sub-rule (1) may cover aspects such as security, confidentiality and privacy of information, the functionality and performance of any application software used

in the electronic delivery of services and the accuracy of accounts kept by the Authorised Service Providers and their authorised agents.

- (3) It shall be incumbent on the Authorised Service Provider and their authorised agents to provide such information and assistance to the audit agencies appointed by the Director of electronic service delivery as are necessary to comply with the directions given by the audit agencies and to rectify the defects and deficiencies pointed out by the audit agencies.

23. Use of special stationery in Electronic Service Delivery.-(1) The special stationery to be used by the Authorised Service Providers and their agents for delivery of the services shall be determined by the Director of electronic service delivery with accompanying security features for forms, applications, licenses, permits, certificates, receipts of payment and such other documents as part of the Electronic Service Delivery.

- (2) The certificates, licenses and permits shall carry a declaration in the format as may be determined by the Director of electronic service delivery.

24. Repeal and Saving.- (1) As from the date of coming into force of these rules, Madhya Pradesh Information Technology (Regulation of Electronic Delivery of Citizen Services and Appointment of Service Provider) Rules, 2011 are hereby repealed.

- (2) Notwithstanding the repeal of the said rules, anything done or any action taken under the said rules shall be deemed to have been done or taken under the corresponding provisions of these rules.

By order and in the name of the Governor of Madhya Pradesh,
CHANDRASHEKHAR WALIMBE, Dy. Secy.
