NEW DELHI

UGC (ESTABLISHMENT OF AND MAINTENANCE OF STANDARDS IN
PRIVATE UNIVERSITIES) REGULATIONS, 2003

Background

- (i) Setting up of private universities through State Acts is a recent phenomenon. An effective regulatory mechanism is required for the maintenance of standards of teaching, research, examination and extension services in these private universities.
- (ii) An effective mechanism for regulating the functioning of existing State Universities recognized by the University Grants Commission under section 2(f) and 12B of the UGC Act, 1956 is already in place. In almost all the States, the Governor of the State is the ex-officio Chancellor of the universities in that particular State. Besides, all the recognized State Universities under the purview of the UGC are receiving grants from the UGC and are obligated to follow the statutory regulations made under the UGC Act, which *inter-alia* include regulations defining the minimum qualifications that should be possessed by any person to be appointed to the teaching staff of the universities; regulations defining the minimum standards of instruction for the grant of a degree by a university, etc.
- (iii) Under Section 3 of the UGC Act deemed to be university status is granted by the Central Government to those educational institutions of repute, which fulfill the prescribed standards and comply with various requirements laid down by the UGC.
- (iv) For private universities belonging to a separate category altogether, a suitable regulatory mechanism is essential by way of laying down the conditions specifically for the establishment and operation of such universities for safeguarding the interests of the student community with adequate emphasis on the quality of education and to avoid commercialization of higher education, etc.
- (v) Accordingly, in exercise of the powers conferred by clauses (f) & (g) of sub-section (1) of Section 26 of the UGC Act, 1956, the UGC hereby makes the following Regulations, namely:-
