Chancellor's Message

***I believe that
"Education is not preparation for
life, Education is life itself."***

Jagdish Prasad Sharma
Chancellor

It gives me immense pleasure to welcome you all to the P.K. University of Madhya Pradesh, a prestigious institution of Higher Education, established under section 2f of UGC ACT 1956 Vide MP Government Act No. 17 of 2015. It is an honor and a privilege to lead this premier institution in its journey towards all-round excellence.

Our University offers a wide range of courses to prepare you for future job prospects in a progressively competitive ethos.

Through the various UGC & ICSSR minor and major research projects, the University has marked its presence in ground level work adding to policy making and nation building.

The academic and student friendly environment of the University is empowering and encourages holistic development through its inclusive curriculum designs according to the standards of NEP-2020. Education here is skill-based which focuses not only on the vocational skill development but also emphasizes on soft-skill trainings to facilitate communicative competence of students.

The University has separate girls and boys Hostels for Under Graduate & post Graduate student and Research Scholars; in-campus medical facility; Placement Cell and smart classrooms. Richly stocked Central Library provides round the clock access to e-journals along with an extensive collection of literature pertaining to different fields of study. There is a dedicated team of qualified faculty and diligent non-teaching staff that cater to the requirements of the students.

The heritage of its infrastructure and beautiful campus of P.K. University and its constituent colleges yields a historic appeal adding along with a fusion of modern technology through a Wi-Fi enabled and solar panel installed campus. With its liberal approach towards students, the university is determined towards the safety of its students and thus we have a strict anti-ragging committee to control any such activity and the university holds the right to entail immediate disciplinary action against any anti-social activity

Relentlessly pursuing a path of excellence in every parameter, P.K. offers an environment where non-academic pursuits remain alive alongside academic prowess.

Being cognizant of the need to prepare our students for a rapidly changing & interconnected world, we constantly strive to bring into our classrooms a global perspective. We vehemently believe in purposeful research and optimal outcomes, thus fostering an environment that stimulates students towards the same.

We aim to provide our students with a supportive and nurturing environment that cherishes independent thought, innovation, creativity, diversity and multiculturalism. As a University, we aim to create socially responsible global citizens who can efficiently lead our businesses, society and country in the future. Our endeavor to bridge the abyss between the classroom and practical world is evident in our didactics and the transition in a student from their onboarding to graduation upholding the right mindset and relevant skills to navigate through real world situations.

We want our students to infuse the world with the energy of their creativity and innovations and advance the frontiers of knowledge and research in ways that translate into tangible benefits for the world at large. The entire cohort of P.K. is acquainted with our vision and mission, and work together to institute a positive paradigm in the country's higher education space.

All relevant information pertaining to University rules and admission requirements are provided in the University Website. Please feel free to visit the website www.pkuniversity.edu.in and be in touch with concerned Department for relevant information regarding your academic pursuit.

I once again welcome you to the P.K. University of Madhya Pradesh and wish you success in all your endeavors.

Vice Chancellor's Message

***"The mission of the University is to
impart quality education, conducting
need oriented research, exploring new
frontiers of science and technology."***

Prof. (Dr.) Yogesh Chandra Dubey
Vice Chancellor

It brings me immense pleasure to be a part of the P.K. University family as its Vice Chancellor. I extend a warm welcome to all students joining our university from around the world, enrolling in undergraduate and postgraduate programs.

P.K. University boasts highly qualified faculty members in their respective fields of expertise. The university organizes a multitude of national and international conferences, seminars, and workshops, providing students with diverse experiences and fostering skills such as leadership and teamwork that are invaluable in their careers. Our faculty members have contributed significantly to high-impact factor journals, showcasing the quality of research conducted at our institution. There is active engagement between faculty and students on campus, enriching the learning experiences and laying a strong foundation for overall development.

Situated in a serene environment, P.K. University offers a blend of curricular, co-curricular, and extra-curricular activities that contribute to physical, mental, and intellectual growth. As international students of the university, you represent different nations and have the potential to bring about positive change, contributing towards overall sustainability for a better future.

On behalf of the University family, I assure you that we are committed to supporting you in achieving your life objectives amidst diverse social, cultural, and economic environments, and we look forward to celebrating your accomplishments with pride..
