

Ethics Committee for R & D Cell

UGC Guidelines for the Establishment Ethics Committee for R & D Cell

The UGC (University Grants Commission) in India has issued guidelines for quality research within the Higher Education system. Research and innovation are important aspects to enhance quality education by the Higher Education Institutions (HEIs). Regular initiatives by ethics committee will ensure that researchers understand the importance of integrity and ethics and comply with ethical codes of research and publishing practices at institutional, national, and global levels. A standard plagiarism check should be mandatorily implemented and the authentic software. In addition, the ethics committee will sensitize the research community about dubious research and publishing practices and predatory journals.
